Phones/tablets

Although we understand that the use of electronic devices is becoming a part of the lives of young people, we realise there are occasions when your child may need to bring them to school. If your child does need to bring their phone or tablet into school could we please ask for them be left in the office and collected at the end of the school day.

If this is not managed it could create significant safeguarding issues.

Bug busting

Every family in school will receive a Bug Busting flyer and headlice comb. If we all work together over the Easter school holidays we can hopefully keep the the pesky headlice away from our children.

Please check your childs hair and treat if necessary. Also, please keep the comb for future bug busting days. Thank you.

Healthy Lunch

In line with our drive to encourage our children to have a healthy lifestyle, both now and when they are older could we please remind parents to only include one treat item within their child/rens packed lunch.

We all have a responsibility to maintain and promote good health to our children.

After school clubs

All after school clubs for the summer term commence w/c 24th April 2017. Please complete and return the slip indicating your childs choices asap. Places will be confirmed on Friday 21st April.

Red Nose Day

Thank you for supporting our Red Nose Day event. We raised a total of £228.54!

Your support is very much appreciated!

Thank you for your co-operation and understanding regarding all the above issues. Have a lovely weekend - Mrs Helen Kershaw ☺
