

### Events Calendar 2017-18 – Final Version

Where appropriate please tick to enter the sporting competitions and festivals. We will only send final event details to schools who have indicated they wish to enter; this information is taken from this form. Whilst every effort is made to confirm all bookings and venues prior to the publication of this calendar, occasionally issues beyond our control may arise which may result in events being rescheduled or venues changed, should this happen we will give as much notice as possible. Outside events may also succumb to the Great British weather, if this is the case every effort will be made to reschedule any events but priority will be given to those that act as a qualifier for Borough or County finals. Additional dates/events may be added to meet the SG county review.
