3. Barriers to future attainment (for pupils eligible for PP, including high ability)	
In-school barriers (<i>issues to be addressed in school, such as poor oral language skills</i>)	
A.	Pupils being ready to learning class – pupils are in a secure place mentally and emotionally.
B.	The learning behaviour for some PP children is having an effect on their academic progress.
C.	Poor learning skills. For example, resilience, stamina, commitment.
External barriers (<i>issues which also require action outside school, such as low attendance rates</i>)	
D.	Some parents do not have essential skills, academic and parenting, to support their children's progress.
E.	A lack of regular routines including; home reading, homework, spellings and having correct equipment in school eg. PE kit, Uniform.
F.	Parental engagement with school and perceptions of education; often base on parent's personal experiences.
G.	External factors such as housing, debt, low income affect parents capacity to engage with experiences and enrichment activities provided by school and provide essential

	requirements for school. i.e. uniform.
H.	High percentage of families fleeing from domestic violence without support networks or access to support.
I.	High percentage of families who require a multi-agency approach to provide early help.
J.	Low aspirations about what can be achieved and how to be successful and limited access to positive role models.

4. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	Children can access learning in class because their physiological, safety, belongingness and self esteem needs are met.	<ul style="list-style-type: none"> • All staff are trained in attachment, behaviour support and SEND and have strategies in place to support individual children. • Targeted interventions for self-esteem, confidence, lack of engagement are having a positive impact on progress. • Breakfast club provides a positive start to the day which enables PP children to access learning. • The behaviour policy is embedded and used consistently.
B.	Gaps in learning are accurately identified and interventions are well matched to needs.	<ul style="list-style-type: none"> • Formative assessment demonstrates gaps which have been addressed. • Gaps for PP children are closing and they are making at least expected progress.
C.	Children experience a wide range of social/cultural and sporting experiences.	<ul style="list-style-type: none"> • There is a plan in place which provides opportunities for all PP children across the year. • PP Children have access to additional, after school clubs and experiences.

5. Planned expenditure					
Academic year	2016-17				
The headings below demonstrate how we are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To use CPD to ensure teaching is of an excellent standard.	To facilitate a programme of targeted CPD per year focused for teachers and support staff.	July 2016 DfE Standards for Teachers' professional development for teachers states that: Professional development must be prioritised by school leadership.	The monitoring and evaluation timetable will evaluate the impact and focuses on disadvantaged children. All foci are part of School Improvement Plan.	Headteacher	Half –termly in line with the quality assurance timetable. £4000.00
For PP children, including the most able, to make at least expected progress.	Teacher to pupil ratio to be increased to allow for additional teaching groups and intervention.	Sutton Trust found that, The effects of high quality teaching are especially significant for pupils from disadvantaged backgrounds: over a school year. These pupils gain 1.5 years' worth of learning with very effective teachers.	The monitoring and evaluation timetable will evaluate the impact and focuses on disadvantaged children. All foci are part of School Improvement Plan.	Headteacher / Pupil Support Manager	Half –termly in line with the quality assurance timetable. £6000.00
Total budgeted cost					£10,000.00
ii. Targeted support					
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Children can access learning in class because their physiological, safety, belongingness and self esteem needs are met.	Daily breakfast Club. Pastoral Support Worker and Pupil Support Manager providing daily interventions TAs undertaking meets and greet with individuals.	The EEF found that breakfast clubs that offer free and nutritious meals before school can boost reading, writing and maths results by the equivalent of 2 months progress per year. Breakfast clubs improve attendance and punctuality. An EEF study on Social & Emotional learning found interventions have a significant impact on attitudes to learning, social relationships, and attainment itself. The impact on attainment is equivalent to four months progress	CPOMS records, monitoring of timetables and interventions, attendance register for breakfast.	Pupil Support Manager	Termly £41,200.00

Gaps in learning are accurately identified and interventions are well matched to needs.	Varied interventions, according to need, to be provided before, after and sometimes during school.	Gaps identified in formative assessment allows for precisely targeted teaching to remedy these. Meta- Analysis of research by John Hattie breaks down quality of teaching into: <ul style="list-style-type: none"> • Children having clear goals/ objectives • Teachers providing children with modelling, scaffolding, appropriate steps to achieve them. 	Pupil progress meetings The monitoring and evaluation timetable will evaluate the impact and focuses on disadvantaged children.	Phase leaders/ assessment leader	Half termly £14,000.00
Children and parents have positive aspirations for their futures.	Whole school approach through thematic assemblies around character and essential life skills. Visits by positive role models to school.	The EEF have summarised the benefits of offering whole school based assemblies around aspiration building and other life skills, the research states that “Character and essential life skill programmes appear to be more effective when approaches are embedded into routine educational practices (i.e. assemblies), and supported by professional development and training for staff”	Pupil Voice. The monitoring and evaluation timetable will evaluate the impact and focuses on disadvantaged children.	Pupil Support Manager	Half termly £300.00
Children’s attitude and behaviour for learning improves.	Introduction of Jigsaw PSHE SOW. HLTA teaching PSHE in every class. Review and embed behaviour policy.	EEF research states “Overall, the evidence makes it clear that reducing challenging behaviour in schools can have a direct and lasting effect on pupils’ learning. However, school leaders should be aware that some interventions can be effective in reducing problematic behaviour without improving attainment”.	HLTA teaching PHSE to follow Jigsaw curriculum, with oversight from subject leader. Behaviour policy to be reviewed and agreed by all staff.	PHSE Subject Leader Head teacher / Pupil Support Manager	Half termly £11,600.00
Parental engagement improves.	Positive discrimination for PP parents for engagement. Home visits by PSM. Accompanied visits to signposted pathways.	To build relationships with children and their families. To provide local and locate support. To liaise with relevant services. Research (and common sense) tells us that families and parents are critical to pupil’s attainment. Feinstein and Symons (1999) found that parental interest in their child’s education was the single greatest predictor of age 16 achievement.	Register demonstrate attendance at parent’s evenings/ workshop/ celebration improves.	Pupil Support Manager	After each event. £2,500.00

Parents develop their skills and are more able to support their children.	Information sessions by subject leaders for reading, phonics, maths for parents. Triple P parenting.
