## **Educational Visits Policy**

Review of this Policy: This policy will be reviewed annually by the Governing Board  
Revised: October 2020  
Review date: October 202

## Introduction

Whittlefield Primary and Nursery School believe that educational visits are an integral part of the entitlement of every pupil to an effective and balanced curriculum. Appropriately planned visits are known to enhance learning and improve attainment, and so form a key part of what makes our school a supportive and effective learning environment.

Whittlefield Primary and Nursery School adopts the guidance and procedures issued in the Lancashire County Council document "Educational/Off Site visits, Policy and Guidelines 2019-2022". We take reasonable steps as stated in the Health and Safety at Work Act 1974. This policy has been designed in line with the DfE and Health and Safety Executive (HSE) guidance and details our responsibilities for pupils while out on educational visits and school trips.

## Inclusion

All children will be included on trips and educational visits regardless of their special needs, race, religion, culture, gender and gender orientation. Within the risk assessment the school will identify children with disabilities, special educational or medical needs, and address how their needs will be catered for. All educational visits must have specific stated objectives that are appropriate for the participating pupils.

## Procedures

Under Health and Safety laws, schools are required to obtain appropriate approval for Educational visits.

For certain categories of visits (Type B visits) schools must seek and obtain approval from the Authority. In distinguishing which types of visits require the Authority's approval, the following categorisation has been adopted:

### TYPE A

- Educational low risk off-site visits, up to one day duration, e.g. theatre visits, museum visits, visits to local schools for an event.

### TYPE B

- Educational off-site visits involving a planned activity on water, or in which the presence of water is identified as a hazard on the risk assessment.
- Visits involving adventurous activities.
- Visits to farms or theme parks.
- Visits including overnight stay or residential accommodation.
- Visits outside the UK, including Foreign Exchange visits.

Staff wishing to undertake a **Type A** visit should submit the details on the Information Booking Form to be signed by the Educational Visits Coordinator (EVC) or Headteacher. They should also liaise with the School Business Manager to cost and book the visit.

The Visit Leader must undertake the completion of the Risk Assessment (Form 5). Venues to be visited may also supply their own risk assessments. It is highly recommended that staff visit venues prior to the visit in order to make informed assessments.

Staff wishing to undertake a **Type B** visit must seek approval from Whittlefield School Governors and complete the Information Booking Form and Form 5 (Risk Assessment). After the forms have been checked and approved by the EVC or Headteacher, they must be submitted to the Authority **at least 4 weeks prior to the visit taking place**.

Both Type A and Type B visits are to be applied for using the EVOLVE online system. Teachers can find more details about this on the Staff Resource.

Following **all** visits the Visit Leader should undertake a review. Any incidents or accidents should be reported in accordance with the reporting requirements. Form 4 must be completed for all educational visits within 14 days of the completion of the activity/visit/expedition and be signed by the EVC or Headteacher. Completed Form 4s will be returned to the Authority for Type B visits.

## **Parent / Carer Consent**

A letter seeking parental consent will be sent out to parents outlining the educational objectives of the visit. Parents will be required to return the slip with their child's name and class. We will also request current emergency contact details.

## **Payment for Visits**

Requests for voluntary contributions towards the cost of the visit will be made. Where insufficient monies are sent in a planned visit may be cancelled. All payments should be made through the school's online payment system.
