

Getting to Know You

French | Year 3 | Unit Overview

Introduction

This Getting to Know You unit will teach your class about basics of the French language. Your class will learn to greet each other, exchange names, ask how someone is, count to 10 and say how old they are. To support non-specialists, there are sound files of all key vocabulary plus extra teacher guidance at the end of each lesson plan.

Health & Safety

In the 'Counting 0-10' lesson, the children will need plenty of space, so if possible use the hall or playground instead of your classroom.
