

# Whittlefield Primary and Nursery School

Spring Newsletter 9:  
Friday 11<sup>th</sup> March 2022

Our Year 2 children have been learning about Explorers and wowed me this week with these creations.

This is Eliza's creation...

And can you spy Annabeth's model of a bifold aeroplane? In the week we celebrated International Women's' Day, which pioneering female aviator flew a bright red plane like this across the Atlantic Ocean solo?

This is  
Ava Mae's  
jungle...

And this is Ethan's...

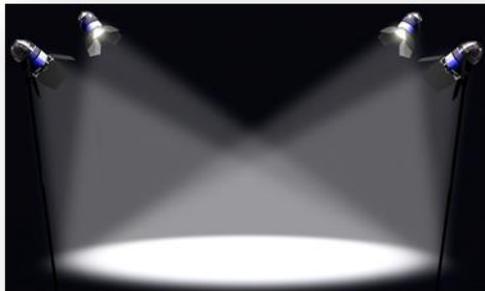

And look what Harry created  
in Lego Club!

Well done to all of you; you are all superstars!

And the creative juices were flowing in our school kitchen too this week... who could resist eating these vegetables and salad when they look this good?

## Our penultimate Spotlight on Our Governors

This week our Y6 School Council children interviewed Miss Jackson.

### How long have you been a governor?

I have been a governor for about 2 and a half years.

### What type of governor are you? Do you play a particular role on the Governing Board?

I am a parent governor.

### What made you volunteer to be a governor?

I have been part of the Whittlefield family for 11 years, and when the school were looking for parent governors, I jumped at the chance to be more involved with school and felt this was a good way to make a difference.

### What skills do you bring to the role? And have you ever been a teacher?

I have not been a school teacher but I have worked with children of all ages. I was a swimming teacher, I trained to be a nursery nurse, I ran a rainbows and guide unit for 6 years and I have two children at home that I help with their schoolwork.

### What are your hobbies?

I love creating things, so I make jewellery, cards, personalised clothes and upcycling furniture.

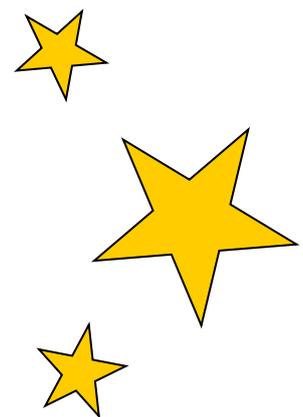

### Do you ever see yourself being chair of governors?

No, I don't feel qualified enough for the role

### What do you think about Whittlefield primary school?

Whittlefield is a super school, with great children and staff.

Thank you to Eden and Adam for this report

## Attendance Well done to all our children this week.

Year 3 take the lead with this week's attendance:

Reception	93.7%	Year 3	97.3%
Year 1	91.4%	Year 4	94.6%
Year 2	96.7%	Year 5	92.9%
		Year 6	94.5%

## Learners of the Week

Nursery	<b>Teddy</b>	Year 3	<b>Charlie E</b>
Reception	<b>Thea</b>	Year 4	<b>Willow</b>
Year 1	<b>Henry</b>	Year 5	<b>Harry</b>
Year 2	<b>Charlie C</b>	Year 6	<b>Oscar</b>

**Skills Builder Award** KS1 - Year 2 **KS2** **Amelia Ho year 5**  
**Olliver B year 6**

Well done to all of our learners this week, who have been recognised for their hard work and going above and beyond. We all enjoyed a Celebration Tea together.

## Happy Birthday this week to Alesha in

Nursery, Millie in Reception, Brookelyne in Year 4, Taylor in Year 5, Kieran- Lee in Year 6 and to Mrs Murphy. We hope you had a lovely day celebrating and that it was filled with special moments.

## Diary Dates

**Next week it's Science Week (14<sup>th</sup>-18<sup>th</sup> March)**

The theme this year is 'Growth' and 'If you were an engineer what would you do?' There will be lots going on in school to explore this theme and consider the answer to the question including science shows and different guest speakers, who will be visiting classes throughout the week to talk about the children. Keep your eyes peeled for updates and photographs on your class Seesaw pages.

**IF YOU WERE an**  
**ENGINEER**  
**WHAT WOULD YOU DO?**
