

Whittlefield Primary and Nursery School

Friday 11th November 2022

Next week, we will be having *Friendship Week* in school when we will be learning about what it means to be a good friend; there will be a huge focus on *kindness and being kind*.

This special week will be launched in a whole school assembly on Monday as part of World Kindness Day, culminating on Friday afternoon when we will be holding a special Dance-a-thon in aid of Children in Need. This is the national charity our school has chosen to support and fundraise for this term...

Staff and children can choose to come to school that day wearing anything **SPORTY** or **SPOTTY**.

This can be as simple as a ribbon in your

hair, painting your face or wearing something sporty or even spotty. As always, we don't want this to cause any of our children any anxiety and certainly don't want to cause any of our parents' additional stress or work!

A simple gesture of support is all that is needed if you want to show your support.

You may want to donate a small amount of money: we shall leave that up to you as we completely understand how hard times are for lots of us at the moment. Any donations we do receive will be given to Children in Need.
